HALVOR LILLENAS.

1. I found such a won-der-ful Sav-iour, In Je-sus, my Lord and my King;
2. Sur-pass-ing the love that a moth-er May have for the child of her care;
3. The pleasures the world could afford me Are naught to compare with His joy;
4. When sorrow and pain is my por-tion, When tears of bereavement must fall,
5. When tempests around me are sweeping, My Pilot and Guide He is, He;

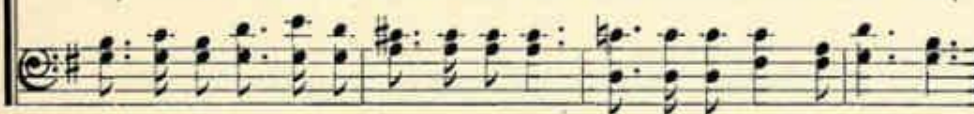

Un-dy-ing and true His de-vo-tion, My heart shall His glad praises sing.
The love of a sis-ter or broth-er With His we can nev-er com-pare.
The rapture and peace that He gives me, Earth's sorrows can never de-destroy.
My Saviour, my friend and companion Will comfort and keep through it all.
And safe is my soul in His keep-ing, My mighty de-liv-'rer is He.

CHORUS.

Oh, what a won-der-ful Sav-iour is He! Constant and true is Je-sus;

More than I fan-cied He ev-er could be, Is Je-sus, my wonderful friend.
